

## ALL WELDED HEAVY-DUTY LOCKERS "CONCORDE" SERIES WITH PIANO HINGE

### Sloping top (option)

For easy cleaning and keeping locker tops cleaned.

### Hat shelf

Hat shelf 22 gauge for personal storage of hats, gloves, toiletries, books, etc.  
(additional shelf available)

### Heavy-Duty frame

Welded door frame is constructed of 16 gauge steel for added rigidity. A triple edge at 90 degrees makes a door stopping full height to receive this one. Corner joints are mig welded giving a high rigidity to the locker.

### Handle

The handle full height is made of 18 gauge steel to facilitate the opening of the door at any place.

### Numbering plates (option)

Black plastic plates are numbered with white engraved numbers. Each plate is fitted to the door and securely fixed with pop-rivets.

### Hasp

The hasp (11 gauge) is fixed by mig welding and allows the easy installation of the padlock.

### Ventilation

Contemporary styled louvers at top and bottom for ventilation of contents (12 holes of 1" X 1/4").

### Recessed base (option) not shown

Base 4" high, 1" recessed for easy cleaning and increase protection of lockers from foot kicks and rust.

### Hooks

3 heavy-duty hooks including two on the side panels and one in the center of the back. The ends of the hooks are round and polished.

### Heavy-Duty door

Full length double wall 20 gauge built and flush fitted into the frame. The inside door panel has a steel reinforcement and is assembled by eight mig welding on each side.

### Hinge

Piano hinge, 16 gauge.

### Latch

Each door is equipped with a solid riveted magnetic latch to keep the door closed. A friction latch installed between the frame and the door is available in option.

### Bottom

The bottom is made of 22 gauge galvanized steel and is provided with twelve openings of ventilation of 1" X 1/4". The bottom forms a door stopping full width.

### Material

Made from cold rolled steel, the construction is all welded without bolts. All burrs are removed to avoid injuries.

### Large colour selection

A wide range of colours is available to blend with any office, school or industrial setting.

### Durable finish

Tough baked enamel finish (lust 40-45%) keeps its good looks for years.

### Standard accessories per door:

- 1 tier high: - 1 shelf
- 3 hooks
- hasp for padlock

### Available:

From 1 to 6 tiers high

**Note: For safety, all lockers are required to be floor or wall anchored.**
